

# Corro Protection Spray

## Safety and health

When using WEICON products, the physical, safety technical, toxicological and ecological data and regulations in our EC safety data sheets ([www.weicon.com](http://www.weicon.com)) must be observed.

## Available sizes:

11550400-35 Corro Protection Spray 400 ml

## Rust Inhibitor and Preserver for all Metals

Corro Protection is a transparent protective rust inhibitor. It lastingly preserves tools and precision components.

It can be used as safe corrosion protection for bare, unpainted metal parts, for the indoor storage of work-pieces, as corrosion protection during overseas transport and for the conservation of tools and precision components.

The protective layer can be removed with WEICON Power Cleaner S.

## Technical Data

Odour	solvent
Features	on a wax basis
Storage stability	24 months
Colour	milky
Temperature resistance	(-4°F) -20 to (+176°F) +80 °C
ISSA-Code	53.402.08
IMPA-Code	450815

## Processing

Clean and degrease surfaces with WEICON Cleaner S. Spray Weicon Corro-Protection (as aerosol) on the parts.

The material is finally cured after approx. 3-4 hours with room temperature. To obtain a higher corrosion protection, several layers can be applied. The protective layer can be removed with WEICON Cleaner S.

## Storage

Pressurized container: protect from sunlight and do not expose to temperatures exceeding +50°C.

## Note

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the only responsibility for non-appropriate or other than specified applications.
